Mayor provides 'police chief search' update during Elba council meeting

by Linda Hodge, Editor

During the Elba City Council meeting held Monday night, Nov. 8, Mayor Tom Maddox provided an update on the ongoing police chief search.

The mayor said there were a total of 16 applications for the vacancy, and the 'police chief search committee' had narrowed that down to six applicants for interview. Since the start of the interview process, one of the six also had been eliminated from consideration, he said.

Maddox said interviews for the remaining five candidates were continuing last week.

City clerk Sally Bane added in her comments to the council that the committee is "interviewing what we feel are qualified candidates" for the police chief position.

The council approved a resolution to award a construction project for the recreational building during the meeting. Upon recommendation of project engineer DeAnn Grantham, the council awarded the bid for the next phase of building repairs [to include painting and repairs] of the recreation building to Diversified General Contractors LLC of Opp, Ala.

The bid award amount was \$131,232.

Also, during the meeting, the council approved the reappointments of Patti Culver, Mona Wise, and Ceina Spicer to continue serving on the Evergreen Cemetery Board. And, the appointment of Raeann McCollough was approved.

Governor Ivey awards grant to assist victims of violent crimes

Governor Kay Ivey recently awarded \$167,000 to assist victims of violent crimes in eight southeast Alabama counties.

The Wiregrass Angel House in Dothan will use the funds to provide services to help victims of robbery and other violent crimes as well as family members of homicide victims. The program assists victims in Barbour, Bullock, Coffee, Dale, Geneva, Henry, Houston and Pike counties.

"Victims of violent crimes have enough to cope with just getting through the enormous emotional stress associated with the crimes," Gov. Ivey said. "I commend Wiregrass Angel House for their assistance to people who are suffering and need guidance."

Wiregrass Angel House staff helps victims navigate the legal system, guides them through the channels to recover losses or receive compensation and provides referrals to other assisting agencies.

Elba Chamber of Commerce launches EYLP

The Elba Chamber of Commerce started a new venture this school year by sponsoring a Youth Leadership Class for Elba students.

The first Elba Youth Leadership Program [EYLP] class was announced earlier this week from seniors at Elba High School. The seniors selected to be a part of this inaugural group were: Jayla Gray, May Morgan Lusk, Kali Nicholson, Callie Pope, Collin Sauls, Whit Shehee, Tamiah Tillis, Tyandrea Tillis, Carson Wise, and Paxton Wise.

The EYLP is a six-month leadership program for high school seniors who attend Elba High School. The program centers on civic involvement, leadership skills, and volunteer opportunities.

"I am honored to be serving as board chairman for the Elba Chamber in conjunction with our first ever EYLP class," said Denise Sauls. "COVID has taken so many opportunities from our youth, and this is a way for our chamber to give back."

According to Sandy Bynum Williams, director of the Elba Chamber of Commerce, the students were chosen based on a combination of the strength of application, recommendations from teachers and school administrators, academic performance, and extracurricular resume.

"EYLP develops young leaders through structured monthly educational programs and teambuilding activities," Williams said. "Participants will gain genuine exposure to local initiatives and community and civic leaders, while also allowing the chamber to engage with youth provided."

“They are not ignorant, it is just that they know so much that is untrue” - Ronald Reagan,

A list of 12 traditional Thanksgiving foods that Americans not just dislike but hate was recently released by a polling firm – they probably ran out of politicians to promote (or slander). The leading items on this list are cranberry sauce, turkey, sweet potatoes, dressing, corn, pumpkin pie and even ham and mashed potatoes. It is easy to relate to turning up your nose after several meals in a row of warmed over turkey drumstick, but hard to realize that so many of our favorites are on that list. We only turn our nose up at the corn and pumpkin pie, and not even refuse those in ‘proper’ company, just around family and close friends.

We have just finished reading ‘On The House’ by Republican John Boehner, who was first a local, then statewide official before he represented Ohio in the U. S. House of Representatives from 1991 until 2015. He served as Speaker of the House from 2011 to 2015 but is now out of politics if that is possible for a life-long public official. This book was a gift that frankly we would never have purchased, but really enjoyed and had trouble putting it down when duty called, or the biscuits were done. He used some strong language at times, but surprisingly we were not offended – it just seemed to put some reality to whatever event he was reliving for his readers. Throughout the book he uttered some good advice learned from his personal experiences. Advice that fits politics, work, or family relationships, yesterday, today, and tomorrow. Right at the end Boehner, an avid golfer, wrote this: “The most important thing to remember – in golf, in politics, in life – is that if you do the right things, for the right reason, the right things will happen for you.”

Our reading list has included three political themed books in a row so our reading time is now being dedicated to helping the original seven astronauts learn the unknown of space flight and we assume they will zoom into space before the final chapter.

There was a tidbit on the internet Saturday announcing that the world added 412 billionaires in 2020, bringing the known total worldwide to 3,288. It is no surprise but a quick scan of the list indicated our name was not on the list, nor added as a footnote of “almost”. Alas, our readers are stuck with us for - well judging by the difference in our bank account balance and those of the 412 new billionaires - a long, long time!

There is a growing shortage of public-school classroom teachers in Alabama (and of course all across the nation). It goes without saying that the usual advocates for solving any problem opt to throw more money at it and have arisen around this problem. More money will surely attract some additional young college students to go into education, but not enough. Also we advocate for recruiting individuals who will be in the classroom for the love of seeing children’s eyes light up when they grasp some math concept or understand a set of historic fact. For those individuals any income above a fair living expense is incidental. We haven’t fixed the problem but hopefully got some “idea” experts to thinking.

The ‘Ancient Alabama’ stories on <AL.com> have now carried a story of the ‘Cliffs of Alabama, comparing them to the White Cliffs of Dover (in England). If you have ever seen the Dover cliffs, clearly visible from ships in the English Channel, it does you as this writer and sends chills down your back to think Alabama has something to be compared to those in Europe. The current story is about a massive meteorite hitting Alabama eons ago.

Be safe, wear your mask, social distance, wash your hands AND get the shot(s)!

Cuzin Lou Lou's
Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou loves to pick on Sister, and truthfully, Sister often makes for an easy target with some of her shenanigans. However, this week, Lou Lou must confess a tale of her own!

As she does many Sunday's following church, Lou Lou ventured to a local eatery with friends for lunch. The group have become such “regulars” for Sunday lunch that the majority of the staff expects them weekly and even pretty well knows the drink orders without even asking.

Lou Lou's go-to-drink once was sweet tea, but ever since Sister got diagnosed with diabetes, Lou Lou has gone to half and half tea. If Sister is not with the group, Lou Lou might venture out and get a good dose of sweet tea, but mostly she sticks with the half and half now.

Sister was at lunch last Sunday. So, it was less sugar!

Good news is that Lou

Lou is so sweet to begin with that she doesn't really need the extra granules!

Now, that was not the tale, even though Sister will choke on her diet Dr. Pepper when she reads it! No...the tale comes from a later antic at the restaurant.

Papa attends a different church than Lou Lou and Sister. Several years back, Lou Lou and Sister made a move to a different place of worship while Papa chose to stay at the one the family had made home years ago.

Papa's church gets finished later on Sunday, which means he often misses going out to eat with the family. However, most Sunday's Lou Lou and Sister will make sure to pick up something 'to go' for Papa and bring it home to him. Such was the case last Sunday.

Lou Lou waited until she was about halfway through her meal before she ordered Papa's 'to go' dish. The efficient staff had it ready and waiting before Lou Lou was even finished eating.

Fast forward to time to leave. Lou Lou reaches the checkout counter, and she reminds the clerk of the items she was paying for on this day. Bill was paid, and Lou Lou ventured home.

Just about the moment she turned into the Yonder gang's driveway, it hit her! "I forgot to pay for Papa's to go order," she remembered.

This was some antic Sister would pull...not Lou Lou. Sister had left ahead of Lou Lou to take Papa's food to him, so, Lou Lou could not even blame Sister for the mishap.

Once inside, she asked Sister if she and little Bean wanted to ride with her back to the restaurant, and Sister immediately wanted to know "why". The explanation got a huge belly laugh from Sister. She was enjoying Lou Lou's embarrassment a bit too much.

Upon returning inside the restaurant, Lou Lou explained to the clerk that she had forgotten to pay for her "to go" order, and he chuckled saying, "Yes. We just talked about that!" Then, he apologized.

Lou Lou said he had no reason to apologize. It was all her fault, and she apologized instead.

The good part of the story is the staff knew it was just an oversight on Lou Lou's part, and they had set the ticket aside feeling certain she would return to fix her mistake. She did, and all was good once again in Lou Lou's world. Well...except for the fact that Sister kept hitting Lou Lou with the 'forgetful' jokes the remainder of the day. I guess Sister was due to get one up on Lou Lou for a change. Maybe it won't happen again anytime soon!!

Until next time...God Bless and Keep Smiling.

CCAA, ESCC Fine Arts bring Handel's "Messiah" Sing-Along to Wiregrass area

The Coffee County Arts Alliance and the Enterprise State Community College Division of Fine Arts are helping the community ring in the holiday season with the Wiregrass Community "Messiah" Sing-Along, a rendition of Handel's great work.

The Wiregrass Community "Messiah" Sing-Along, under the direction and leadership of CCAA President and ESCC Division of Fine Arts Chair Dr. Ken Thomas, is a community sing-along event that includes featured soloists, orchestra and chorus to provide the core support. Soloists include community members and ESCC Fine Arts faculty and students.

The event will also feature the talents of special guest soloist Dr. Rosephanye Powell, a world-renowned composer, educator and soprano.

"A performance of Handel's 'Messiah' is always an exciting sign that the Christmas season has arrived," Powell said. "It is a celebration of the love and hope that came through the birth of Jesus Christ. In the midst of COVID and the turmoil in our country, this live performance with students, faculty and community singers from all backgrounds and walks of life will be especially meaningful for me."

"This performance serves as a reminder that in essence we are all one race of people — the human race. May we come together to heal, unite and celebrate through Handel's 'Messiah.'" Powell has been hailed as one of America's premier female composers of choral music. She has an impressive catalogue of works published by leading national and international publishers, including the Hal Leonard Corporation, the Fred Bock Music Company/Gentry Publications, Oxford University Press, Alliance Music Publications and Shawnee. Powell currently serves as a professor of voice at Auburn University, where she teaches applied

voice, art song literature, and vocal pedagogy courses. She also conducts the Women's Chorus and co-conducts the AU Gospel Choir.

"It is an honor to have Dr. Rosephanye Powell participate in this joyous occasion," Thomas said. "Dr. Powell was my voice teacher during my graduate studies at Auburn University. It is rare that our students and community members have an opportunity to perform with someone of Dr. Powell's caliber. The College and community will be elevated to new heights through this collaboration."

The Messiah is an English-language oratorio, or a large musical composition for orchestra, choir and soloists without action or scenery. It was composed in 1741 by George Frideric Handel, with a scriptural text compiled by Charles Jennens from the King James Bible and from the Coverdale Psalter, the version of the Psalms included with the Book of Common Prayer. Jennens' text is an extended reflection on

Jesus as the Messiah called Christ. "Messiah" was first performed in Dublin on April 13, 1742, and it has since become one of the best-known and most frequently performed choral works in Western music.

"This is our gift to the community, and what better way to bring the community together than with the music of Handel's 'Messiah,'" Thomas said. "We look forward to celebrating and rejoicing with the beautiful music."

The Wiregrass Community "Messiah" Sing-Along will be held Sunday, Dec. 5, at 4:30 p.m. at First Baptist Church of Enterprise. This is a free event for the community, but donations to the Coffee County Arts Alliance are appreciated.

What Rank is Required for a 21-Gun Salute?
There are a number of traditional gun salutes that are offered in respect to fallen service members - and the most commonly known is probably the 21-gun Salute. As you prepare to bury a family member who served in the military, you might wonder: Is he or she eligible for this great honor? While not every military service member qualifies for the 21-gun Salute, there are a number of ways to earn it. Due to some recent changes to military procedures, the 21-gun Salute is an option for:
1. Enlisted officers
2. Active duty service members
3. Anyone who had an honorable retirement from the military
If your loved one met any one of these criteria, you can speak with your funeral director about coordinating a 21-gun Salute. (You can also ask about some of the other types of interesting salutes that are available; though less well-known, they can also be meaningful ways to honor the deceased.)
One thing to be aware of is that, while this gun salute references 21 guns, the actual number of shots fired can vary. This has to do with various factors - rank, branch of service, and beyond. As such, it's important to be aware: Your loved one's 21-gun Salute may not actually have 21 distinct shots you can hear!
Nevertheless, it's a significant honor; at many military funeral services, it's the gun salute that provides one of the greatest moments of emotion and release. Again, there are many service members for whom this honor is available, and the best way to coordinate it is to meet with your funeral director and make your wishes known.

Cannibalism

The practice of humans eating the flesh of other human beings is well documented. Chinese emperors ate human flesh as a delicacy. Christopher Columbus

reported on cannibalism in the Caribbean, at least partly so that he could conquer the islands by whatever means he desired.

Throughout the sixteenth and seventeenth centuries, some Europeans ingested human body parts for medicinal purposes. As recently as the 1960s, the fore people of Papua, New Guinea, traditionally ate parts of the bodies of recently deceased relatives.

Micah used images of cannibalism as a shocking illustration of the unjust practices in his day. He condemned Israel's leaders for treating people as sources of nourishment instead of as creatures made in God's image. Christians today must still beware of the tendency to use people to get what they need instead of valuing them simply as God's beloved creatures. How do you resist "cannibalizing" others? - J.E.

PASTOR'S CORNER

Westside Baptist Church

A woman was visiting some people who lived on a farm, and she noticed a pig limping in the backyard with a wooden leg. She asked the farmer, "What happened to the pig?" The farmer said, "Oh, Betsy is a wonderful pig. One night the house caught fire and she oinked so loud she woke us and we got the fire truck in to save the house."

The woman said, "That's really something!" The farmer continued, "That's not all, one day our youngest fell in the pond and Betsy oinked so loud that she got our attention and we were able to pull my daughter out of the pond in time."

The woman said, "That's really amazing! But I still don't understand why the pig has a wooden leg. The farmer said, "Well, when you have a pig that special, you don't want to eat him all at once!"

Gratitude didn't run very deep for the three-legged hero. How deep does our gratitude run for our Heavenly Father who provides everything we have?

During this season of Thanksgiving don't take the blessing of the Lord for granted but do what the Psalmist said in Psalm 100:4-5, *Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. For the Lord is good and his love endures forever; his faithfulness continues through all generations.* NIV

Our grandson Lawson enjoyed an afternoon at the Peanut Festival Saturday and took along one his cousins to join him on the rides since his Mom and his Nanny both told him they didn't share his excitement. The trip was all about Lawson anyway. So, I'm sure everyone that made the trip had an enjoyable day.

For what it is worth....

*** *For the second time in the past four years* the Elba Tigers were eliminated from the state football playoff with a shutout loss on the road. Four years ago it was a 28-0 loss at Linden, while the latest came Friday night when the high-scoring Tigers were stunned in a 32-0 loss at Highland Home. The loss at Highland Home was one that shocked all Tiger fans since the team entered the game riding a nine-game winning streak and had scored almost fifty points a game over in its last five wins. The Elba offense was never able to get anything going on the ground against an aggressive Highland Home defense and really threatened to score only once, while over on defense the Tigers were once again vulnerable in the air and had a hard time stopping the shifty Squadron quarterback. It was simply a whipping from start to finish, and one no one saw coming!

*** *Kinston knew it was more than just a little* over its head in a second round clash with Sweet Water and came out on the short end of a 54-7 final score, but never quit fighting and made the large Bulldogs crowd that made the trip proud of their effort. While the final score was an accurate indication of the difference in the two 1A teams, Kinston took a giant step forward to secure the future of the football program this season and set a solid foundation as three of their four losses were to undefeated and top-ranked Brantley, undefeated and second-ranked Sweet Water and 3A playoff participant Houston Academy. The loss was disappointing for the 'Dogs and all their fans, but one day soon the players will realize just what they accomplished this year and hold their heads proud.

*** *Brantley has been a high scoring team* all season, but Friday night gave new meaning to the term 'big play offense' as the Bulldogs had scoring plays of 30, 71, 70, 71, 88, 80 and 73 yards in a 48-15 playoff win over Millry. The Bulldogs rushed for over 500 yards in the win after managing only 112 yards in total offense the week before and once again let everyone in the 1A ranks know they are ranked #1 for a reason and have their sights set on another state title. The folks from Millry will definitely agree with their plans.

*** *The second round of the state high school* football playoffs is now in the books and it was another interesting week of action all across the state. Taking a look back.... (7A) Enterprise was no match for Auburn as the Wildcats saw their season end with a 56-21 defeat. In two losses to Auburn this season the 'Cats have allowed a whopping 98 points. Central, of Phenix City, made it clear it had its eyes on a state crown with a 77-41 whipping of Theodore. The Red Devils are supposed to have one of the state's top defenses, but the 77 points also made it clear they know how to score points. (6A) Opelika posted an impressive 28-14 win over Spanish Fort to keep its title hopes alive and well, while most eyes in the state were on Clay-Chalkville's 56-21 romp past Briarwood. (5A) Andalusia continued on a playoff roll with a big 48-26 win over Demopolis, while UMS-Wright sneaked past Greenville 14-12 and Pike Road struggled a bit in a 29-17 win over St. Paul's. (4A) Vigor survived its 300-mile trip to Cherokee County and posted a 34-0 win, while defending state champion Handley was impressive with a 28-14 win over Bibb County. (3A) Opp saw its season draw to a close with a 35-14 road loss to T.R. Miller and Slocomb blew a big second half lead in a 39-27 loss to Hillcrest Evergreen. (2A) Arton saw its season end with a tough 27-20 road loss to Clarke County, while Luverne was no match for top-ranked Lanett in a 33-0 road loss. (1A) Maplesville struggled in a 22-15 win over Linden, while

Keith continued its banner season with a 19-2 win over one-beaten Notasulga.

*** *Over to the college sports world* for just a moment.... The month of November can be an active month both on and off the field and court for college sports programs as football teams fight for the playoffs and bowl berths, basketball teams tip off their seasons, and coaches in all sports try and keep their jobs in the highly competitive profession. It is also an active month for collegiate presidents and athletic directors, as a report last week by ESPN reported that from Jan. 1, 2010 to Jan. 31, 2021, colleges in the FBS conference's paid out more than \$533.6 million in 'dead money' to head and assistant coaches in both sports that were terminated, but were still owed money to fulfill contracts. This already staggering amount doesn't even include the tens of millions in severance pay handed out since the end of the decade in the report, including head coaches at Georgia Southern, LSU, TCU, Texas Tech, Akron, UConn and Southern Cal, as well as many assistant coaches across the nation. Ed Orgeron, still the lame duck head coach at LSU, is due \$16.9 million to be paid in 18 payments through December, 2025. Auburn, which bought out the contract of Gus Malzahn in 2020, for \$21 million, leads the expensive list with \$31.2 million in 'dead money,' followed by Nebraska (\$25.8 million), Texas (\$21.5 million), Ole Miss (\$20.4 million) and Kansas (\$20 million). Schools in the 'Power 5' conferences (SEC, BIG 12, BIG 10, ACC and PAC12) accounted for 88 percent of the 'dead money,' led by the SEC with a total of \$151 million. Keeping all the fans and big donor alumni happy, while trying to stay

competitive in the big money world of college sports can be an expensive thing to do!

*** *Ye Ole Polish Prognosticator* dropped by over the weekend and was still shaking his head about Elba's 32-0 loss to Highland Home. The fearless forecaster said it looked like the Tigers may have been too overconfident going into the game and ran head first into a team that wanted to win instead of one that just expected to win. Anyway, the local guesspert hit on 11 of his 14 picks last season and vowed to keep on picking as long as the teams keep on playing. Here are this week's picks....

BRANTLEY VS. KEITH

The bulldogs will have to leave the pound this week for a long trip over to the western part of the state and will have to be on the lookout for bears as they near their destination. The bulldogs are known for stalking their prey and bringing home big wins while on the hunt, and this week will be no different.

The Elba Tigers and Lady Tigers hosted Zion Chapel last Tuesday afternoon and made it a clean sweep over their guests as the Tigers posted a 32-18 win and the Lady Tigers rolled to a lopsided 25-3 victory.

The Tigers led only 8-6 after one quarter, but outscored the Rebels 9-0 in the second quarter to open up a 20-6 halftime advantage and never looked back as they rolled to the win. Jay Wilson scored 14 points to lead Elba, while also scoring for the Tigers were Cassidy Carpenter 6, Jaden Baker 6, Johnathan Edwards 4,

and Easton McKelvey 2. M. Allen scored 8 points to lead the Rebels.

The Lady Tigers carried a 14-0 lead in at the half and were never threatened in a big 25-3 win over the Lady Rebels. Elba outscored Zion Chapel 9-1 in the third quarter to push its lead to 23-1 as the Lady Tigers claimed their second straight win. Ny'Asia McCollough scored 10 points to lead Elba, while also scoring for the Lady Tigers were Makayla Moore 9, Casey Williams 2, Brittany Williams 2 and Jadya Caldwell 2. P. Davis scored 2 points to lead the Lady Rebels.

Elba splits with 'Brockton

The Elba Tigers and Lady Tigers traveled to New Brockton last Monday night in middle school basketball action and split the twin-bill as the Tigers dropped a 41-29 decision and the Lady Tigers posted a 25-20 win.

Elba saw an early 7-0 lead vanish in a 41-29 loss, in boys' action. The Tigers carried a 13-9 lead into the second quarter, but were outscored 9-1 in the stanza to fall behind 18-14 at the half and never recovered. Jay Wilson scored 12 points to lead the Tigers, while Cassidy Carpenter added 6, Johnathan Edwards added 4, Jaden Baker and Easton McKelvey both added 3,

and Matthew McCart scored 2. Anthony Silar scored 22 points and Caden Wallace added 7 to lead the Gamecocks.

Elba pulled ahead early and held on late to claim a 25-20 win, in girls' action. The Lady Tigers opened up a 12-5 halftime advantage and carried a 16-7 lead into the fourth quarter, but had to turn back a furious fourth quarter rally by the Lady Gamecocks to claim the win. Ny'Asia McCollough scored 11 points to lead the Lady Tigers, while Brittany Williams added 6 and Makayla Moore scored 5. Gabby Eubanks scored 15 points to lead New Brockton.

In playoff action

Tigers squashed by Squadron 32-0

The third-ranked Elba Tigers saw their playoff ride hit a dead end Friday night in a stunning 32-0 loss to the Highland Home Flying Squadron, in second round action at Highland Home.

The loss snapped Elba's nine-game winning streak and left the Tigers with a 10-2 record, while Highland Home upped its late-season winning streak to five games and pushed the Squadron's record to 7-5.

Highland Home, sparked by the play of southpaw quarterback Nick Diaz, scored on all four of its first half possessions to carry a 26-0 lead in at the half.

The first Flying Squadron score came a 97-yard drive in which Diaz passed for 46 yards and rushed for 49 yards, including a 5-yard touchdown run up the middle to cap the long scoring march. Austin Norman kicked the extra-point as Highland Home moved on top 7-0 with 5:05 left in the first quarter.

Highland Home regained possession on the ensuing kickoff when Elba mishandled a squib kick at the Tigers 31-yardline, and this time needed six plays to reach the endzone. Diaz rushed for 18 yards on two carries and scored his second touchdown of the quarter on a 3-yard scamper, and after Norman added the extra-point the Squadron was on top 14-0 with 1:18 remaining in the quarter.

The Flying Squadron began its next offensive series at its own 30-yardline after a defensive stand and promptly went 70 yards in seven plays to add to its lead. Diaz connected on two passes for 57 yards to highlight the scoring drive, with the score coming on a 34-yard touchdown toss to Keldric Faulk. The extra-point try failed, but with 3:44 left in the half Highland Home was in command with a 20-0 lead.

Highland Home got the ball back at its own 43-yardline late in the half after an Elba punt and continued its dominance as the Squadron went 57 yards in just three plays to extend its lead. Diaz hit on two passes for 44 yards to lead the Squadron down the field, and scored his third rushing touchdown of the night on a 2-yard run. A fumble foiled the extra-point attempt, but with 1:17 left on the clock Highland Home had opened up a surprising 26-0 lead.

Elba got its first defensive stop of the game on a pass interception by the Tigers Trent Hamilton early in the third quarter, and the Elba offense showed signs of life it marched to a first down at the Highland Home 20-yardline. Sophomore quarterback Brayden Johnson passed for 47 yards and rushed for eight yards to spark the drive. However, on a third down play an Elba running back was stripped of the football, and the Flying Squadron's Cooper Peters returned the fumble 64 yards to the Elba 26-yardline.

Highland Home lined up for a short field-goal attempt after the Tigers defense stiffened at the six-yardline, but a penalty moved the ball to the three, and on fourth down Keldric Faulk took

a direct snap and walled into the endzone for a touchdown. The extra-point try was blocked. However, with 1:08 left in the third quarter Highland Home was in complete command as it owned a 32-0 lead.

Elba reached the Highland Home 28-yardline on its ensuing possession before being stopped and turned the ball over on downs near midfield on its next series. Elba began its final offensive possession at its own 21-yardline after a pass interception by JT Coleman and quickly crossed midfield behind the passing of Johnson. The drive bogged down after reaching the Highland Home 43-yardline; however, and while the Tigers got as close as the 30-yardline, it was on the final play of the game as the Tigers were eliminated from the playoffs with the 32-0 loss.

Brayden Johnson rushed for 34 yards on 10 carries and completed 12 of 24 passes for 128 yards to lead the Elba offense, with Peyton McCart pulling in seven passes for 80 yards. Peyton McCart had 7 tackles and blocked an extra-point attempt to lead the Tigers on defense, while JT Coleman and Trent Hamilton both added 3 stops and had a pass interception.

Nick Diaz rushed for 93 yards and three touchdowns on 14 carries and completed 10 of 16 passes for 175 yards and one td to pace Highland Home, while Keldric Faulk pulled in two passes for 59 yards and scored on a 3-yard run, and Kendarious Shepard caught three passes for 69 yards.

Nothing sweet in second round

The Kinston Bulldogs saw the clock strike midnight on their storybook season Friday night with a 54-7 road loss to the second-ranked Sweet Water Bulldogs, in second round playoff action on a cool night in Sweet Water.

Sweet Water, which upped its record to 12-0 with the playoff win, opened the game with a bang when Lashon Young returned the opening kickoff 75 yards for a touchdown to put the hometown 'Dogs on top 6-0 with only 13-secods gone off the clock.

The score was just the first of four first quarter touchdowns for Sweet Water as the 'Dogs added a score on a 3-yard run by Jaland Lewis-Horton, an 11-yard run by Luke Davis and a 40-yard interception return by Jalen Lucy. Lewis-Horton added a two-point run and Michael Alan Cole booted two extra-points as Sweet Water led 28-0 after one quarter of action.

Sweet Water scored on its initial possession of the second quarter on a 6-yard run by Trace Luker and Cole again added the extra-point to push the 'Dogs lead to 35-0. However, Kinston came to life on its ensuing possession and brought its fans to their feet when Jeb Crosby broke loose and scampered 69 yards for a touchdown. John Free kicked the extra-point as the Bulldogs cut the deficit to 41-7 with 4:33 remaining

in the stanza. Sweet Water regained command on its ensuing possession when Lashon Young scored on a 13-yard run to up its lead to 41-7, and then upped its lead to 48-7 with only 30-seconds left in the half when Michael Alan Cole scooped up a Bulldog bobble and rambled 13 yards for a score, and Walker Thompson added the extra-point.

Kinston turned back a Sweet Water scoring threat early in the third quarter after the 'Dogs drove to a first down at the Kinston 15-yardline. However, Sweet Water did add the final points of the night with 3:19 left in the fourth quarter on a 1-yard run by Deion Blanks and the extra-point by Tyler Ward to log the final at 54-7.

Jeb Crosby rushed for 104 yards and one touchdown on 10 carries to lead Kinston, while Cale Sumblin added 23 yards on the ground on nine carries and completed 3 of 5 passes for 11 yards.

Christian Dunning rushed for 80 yards on 10 carries to lead a stable of 11 running backs that had carries for Sweet Water, with five different backs scoring touchdowns.

The Brantley Bulldogs rolled up over 600 yards in total offense, including 483 yards on seven scoring plays, in a wild 48-15 win over the Millry Wildcats, Friday night in second round playoff action at David Lowery Stadium.

Brantley began its initial offensive series at its own 30-yardline after a Wildcat punt and needed seven plays to cover the 70 yards to the endzone to get on the scoreboard. Robert Shine rushed for 36 yards on two carries to help lead the Bulldogs down the field, while Kedrick Brown added 39 yards on three carries and scored the touchdown on a 30-yard dash down the sidelines. The extra-point try failed, but with 7:51 left in the opening quarter the Bulldogs were already on top 6-0.

Millry recovered a fumbled punt at its own 34-yardline late in the quarter and drove 66 yards in six plays to pull even. Owen Hendry completed two passes for 30 yards to highlight the scoring drive, while the score came on a 7-yard run by Daylon Edmunds. The extra-point attempt failed, but with 3:35 left in the quarter the score was tied at 6-6.

The score didn't stay tied for long; however, as on Brantley's ensuing possession Robert Shine went off tackle and raced 71 yards untouched for a Bulldog touchdown. The extra-point try was again unsuccessful, as Brantley went on top 12-6 with 3:17 remaining in the stanza.

Brantley began its next possession at its own 30-yardline following a defensive stand and once again needed only one play to find the endzone as on the first down play Robert Shine burst up the middle and raced 70 yards for a touchdown. Kedrick Brown ran in the two-point conversion as the Bulldogs lead grew to 20-6 with 40-seconds left in the first quarter.

Millry added to its point total on its ensuing possession on a 29-yard field goal by Zach Jenkins as the Wildcats closed to within 20-9 with 6:30 left in the second quarter. However, the Bulldogs weren't about to let the 'Cats get any closer as on Brantley's next possession Daquan Pittman went up the middle and rammed 71 yards for a score. Shine added the two-point conversion as the Bulldogs lead went to 28-9 with 5:13 remaining in the half.

Brantley fumbled on its initial possession of the third quarter, but got the ball back at its own 12-yardline on a defensive stand, and again needed only one play to find its way to the endzone as Kedrick Brown reached the sidelines after taking a handoff and raced 88 yards for a touchdown. Jayden Parks kicked the extra-point, and with 7:52 left in the third quarter Brantley's lead had grown to 35-9.

Brantley lost another fumble on its next possession after reaching a first and goal at the Millry 9-yardline and watched as the Wildcats drove the length of the field to reach a first down and goal at the four-yardline. However, the Brantley defense stiffened and regained possession back at the 20-yardline.

The Bulldogs needed more than one play to add to its lead following the defensive stand, but not many more, as on third down Tucker Kilcrease spotted Robert Shine all alone near the sidelines, hit the speedy back with a pass and then watched as Shine set sails on an 80-yard reception. The extra-point try was blocked, but with 8:43 left in the fourth quarter the Bulldogs were in charge with a 41-9 lead.

Brantley got the ball back at its own 33-yardline following a pass interception by Khaliq Smith, and again struck quickly as on second down Daquan Pittman took

off and raced 73 yards for a score. Parks tacked on the extra-point, as the Bulldogs lead grew to 48-9 with 7:13 remaining on the clock.

Millry scored on a 2-yard run by Jaylen Manuel with 4:13 left on the clock, but all it did was change the final score as the Bulldogs claimed the big 48-15 playoff win.

Robert Shine paced the Brantley offense as he rushed for 225 yards and two touchdowns on 10 carries and pulled in one pass for 80 yards and a touchdown, while Kedrick Brown rushed for 154 yards and two scores on eight carries, and Daquan Pittman added 145 rushing yards and two touchdowns on four carries and also pulled in three passes for 33 yards. Millry was led by Owen Hendry with 98 yards rushing on 20 carries and 10 pass completions in 15 attempts for 95 yards, while Daylon Edwards added 82 yards on the ground on 17 carries.

Brantley's Driggers roaring as a Lion at UNA

Article and Photo submitted to The Elba Clipper

Parker Driggers was a three-sport star at Brantley High School. He earned all state as a football and basketball player, and scored over 1,000 points in his basketball career for the Bulldogs.

Driggers finished his senior year at Brantley winning a state championship in the 100 meter dash and shot put in Brantley's inaugural track and field season.

After graduating from Brantley in 2019, Driggers signed with the University of North Alabama. He played in four games his true freshman year, and redshirted. In his redshirt freshman year, 2020, the season was shortened due to COVID-19. In that season, Driggers played slot receiver and ran the wildcat for the Lions. He led the team in rushing and all purpose yards.

Due to COVID, the 2020 season did not count toward the eligibility of Division 1 fall athletes.

This football season, Driggers is still a true freshman. He was moved to running back and starts there for the Lions. He again leads the team in rushing, all purpose yards, TDs and kickoff return yards.

Driggers broke a UNA and Big South Conference record with a 99-yard rushing touchdown earlier in the season. This also ties the NCAA all time record.

After this season, Driggers still will have three years of eligibility left.
